Dive & Draw 2022

April 6 - 10 in Cozumel, Mexico

Diver: $650 | Non-Diver: $300 | with Optional Dive: $690

Create beautiful marine artwork on location in Cozumel UNDER WATER!

All classes are taught by world renowned artists Mark Hagan, Patti Mollica & Colleen Flanigan

This Workshop Includes Four Shore Dives:

Pre-Dive Class - basic drawing skills for all levels, aquaSketch® instruction, drawing and diving techniques, use of reference materials.

Underwater Drawing Class - shore dives at Zoe - Living Sea Sculpture site with instructors for guidance, instruction, and introduction to coral restoration projects, using aquaSketch®. All art materials are provided.

Painting Class - underwater artwork is digitally transferred on to painting media, instruction in using the underwater artwork with various art media (watercolor, acrylic paint, and pastels), all art supplies are provided.

Closing Reception - featuring student's artwork at Casa Del Mar, our partner hotel.

★Optional Zoe Excursion Dive: introduction to the restoration method, the corals, the research, and the story behind this living memorial art, science, and technology project.

Requirements: Basic dive certification. Prior drawing experience is not necessary. Interested snorkelers and non-divers can participate.
